Bed/Cargo

Soft Roll-Up Truck Bed Cover by RealTruck Advantage*

99501A42

Fast, easy roll-up design

- Fast, easy, roll-up design
- Easy, no-drill install
- Excellent weather sealing on all sides and corners

Soft Folding Truck Bed Cover by RealTruck Advantage*

99501A42

Tri-fold design

Our soft folding covers feature a tri-fold design that can be secured in the open position when access to the bed is required.

- Premium vinyl covering over an innovative frame and bow design provides excellent weather resistance
- F-150 tonneau has double-pivot hinges, steel corner brackets and I-beam bows to provide an extremely strong frame

Retractable Truck Bed Cover by RealTruck Advantage*

84501A42

Manually retractable

These manually retractable bed covers use a sealed ball-bearing roller system for easy one-handed operation.

- Heavy-duty aluminum construction
- Spiral track system keeps cover from coming in contact with itself as it rolls into the compact storage container
- Attractive low-profile design
- Convenient pop-up handle – no need for straps
- Durable matte-black finish with Ford Oval
- Easy to install, no drilling required

Hard Rolling Truck Bed Cover by RealTruck Advantage*

84501A42

Between the rails design

Provides the security of a hard folding tonneau with the convenience of a roll-up tonneau. There's no heavy lifting required; and with the easy one-handed rolling design, opening and closing is a snap. Between the rails design provides full access to the stake pockets for other accessories.

- Provides 100% access to the bed when rolled up
- Compact design maximizes visibility through the rear window
- Top-mounted buckle straps secures rolled bundle in open position
- Locking rail design secures the cover the full length of the bed when closed
- Rugged, leather-grained vinyl covering provides a classic tonneau look
- Optimized rear tailgate slat for proper operation of the Ford Automatic Tailgate Release
- Easy, clamp-on, no drill installation

PACK UP AND GO

Bed/Cargo

Hard Folding Truck Bed Cover by RealTruck Advantage*

84501A42

Over the bedrails model

This hard folding cover mounts across the top of the bed for maximum cargo height space and superior reliable sealing.

- Cover is completely self-contained, no spare parts or tools required for installation or removal
- Helps keep cargo protected and out of sight, lock the tailgate for added security
- The flexible hinge system is strong and weather resistant
- Strong yet lightweight, constructed of an aluminum alloy with a black textured paint finish
- Padded seals help keep the weather out without damaging the vehicle finish
- Heavy duty, spring-loaded speed clamps provide fast and secure installation

Hard Folding Truck Bed Cover by RealTruck Advantage*

84501A42

Between the bedrails model

- Made from rigid, heavy-duty 3/4" thick panels strong enough to hold up to 300 lbs.
- Rugged synthetic hinges and seals provide outstanding weather resistance
- Provides 100% access to stake pockets and works with tiedowns, bed rails, bed extenders and bedliners
- Lock the cover in full open position with the included prop rods for access to the whole bed without removing the cover
- Hidden, quick-release latch system automatically locks panels when shut, simply lock the tailgate to secure the cover

Bed Slide*

84113C37

1,000 lb. capacity

- Slide all your stuff right from under your tonneau/bed cover or truck cap
- Reach things safely from beside the tailgate
- Bedtrax and guardrails to help organize and contain your cargo
- D-Ring tie-downs to help secure your payload
- Constructed of heavy-duty, weather-resistant materials
- Easy installation with factory mount brackets
- Equipped with safety cables when in stowed position
- 1,000 lbs. capacity

Sportliner with Tailgate Cover by Husky Liners*

9900038

Durable, comfortable and versatile

Designed to be as tough as the truck its in, the sportliner is engineered to be as durable, comfortable and versatile as a Ford truck.

- Not compatible with Pro Access Tailgate

Retractable tonneau/bed covers with a durable and secure metal surface and easy electric operation.

- Hands-free, remote operation
- Electro-magnetic brake locks cover in any position
- Drive system release lever provides cover operation in case of lost power
- Matte-black powder-coated finish
- Drain tubes at the front and rear of the rail help provide excellent water management
- No-drill, clamp-in design for easy installation

Power Retractable Tonneau Cover by Leer*

99501C29

Model with T-Slots

The ultimate in flexible storage and coverage for truck beds. Design allows for one-person operation and features removable fabric side panels.

- Folding soft top
- One-person operation
- Made from heavy-duty, mildew resistant and UV-protected fabric
- Easy installation
- Integrated third stop light
- Removable and easily stored side window panels
- Folds forward to allow full use of the bed when hauling tall or bulky items
- For vehicles without camera
- Not compatible with Pro Access Tailgate

Custom-designed to securely fit your truck bed.

Bed Mat

99112A15

Securely fits your truck

Bedliner

9900038

Ribbed floor provides drainage

- Ribbed floor provides drainage and increased airflow between the bed and the liner to reduce mold, mildew and corrosion
- Anti-static materials have been incorporated into the bedliner finish to reduce the chance of static-induced sparks
- Available in black with Ford Oval
- Tailgate liner sold separately

PACK UP AND GO

Bed/Cargo

- Keep your load stable and secure – and look good doing it!
- Bed products constructed of highly polished chrome, 1 3/4" stainless steel tubing

PLUG N PLAY

Electronic Accessories

Light up the bed of your F-150 with our strip lighting. Two strip lights help illuminate the entire truck bed. F-150 bed lighting features:

- Robust strip lighting
- Great solution for trucks with NO factory bed lights
- Installation ties the strip lighting to the factory cargo light so both lights will illuminate with a press of the unlock button on the factory key fob
- For vehicles with or without bedliners
- Dealer installation recommended
- Not for use with F-150 Raptor, F-150 Hybrid or Lightning models

men* •••••

Add to the great looks of your F-150 with the clean custom look of a tailgate lightbar. Lightbars also provide enhanced levels of lighting, especially during low light or bad weather conditions.

- Wide 60" lightbar features 2,000 LEDs to make you more visible to drivers behind you
- Five functions including left/right turn signals, running, brake, reverse and hazard lamps
- Syncs to factory lighting settings, right out of the box
- Bright white reverse LEDs help provide added lighting when backing up
- Simple Plug and Play installation – no splicing wires
- For use with F-150 with LED Lighting. Lariat 500A, 501A, 502A; King Ranch 600A, 601A; Platinum 700A models only
- Above listed models w/o option 17T Tow Technology Package, without onboard scales

Key features of the Ford Accessory underbody lighting assembly:

- Upgraded housing and lens construction for improved durability and reliability
- Designed to resist water, dust, and extreme temperatures
- Plug-N-Play integration to work in conjunction with your vehicle's interior lighting system
- Not compatible with F-150 Raptor or Lightning models

Use your factory key fobs to arm and disarm, helps provide contents protection too.

- When there's sufficient impact to the glass or a body panel, the 2-stage shock sensor determines whether to issue a warning chirp or full alarm
- When activated by your Ford Dealer, the Basic Remote Start System is also included; start your vehicle from up to 300 ft. away
- Parking lights remain on during remote start so you know the engine is idling
- Run time and other features are easily programmed through the vehicle's driver information center

Keyless Entry •

14A626

Programmable keypad
