2-stage shock sensor

Use your factory key fobs to arm and disarm the Ford Perimeter Plus Vehicle Security System.

- When there's impact to the glass or a body panel, the 2-stage shock sensor determines whether to issue a warning chirp or full alarm
- When activated by your Ford Dealer, the Basic Remote Start System is also included; start your vehicle from up to 300' away
- LED Warning Light Kit also available - lights up when system is activated

Light up your bed with this set of two LED Bed Lamps. Simply touch the lens of one of the lamps for two seconds and they both light up. Perfect for vehicles equipped with a tonneau/bed cover.

- No external switches required
- Kit includes two LED capacitive-touch lamps and wiring harness
- Hardwired to your vehicle's electrical system, no batteries required
- LED lamps provide high intensity light with low-current draw
- To turn off lamps - touch any lens, or the automatic timer shuts them off after one hour
- For vehicles with or without bedliners
- Dealer installation recommended
