SIMPLIFIED SERVICE FOR YOUR ELECTRIC VEHICLE

The Ford Maintenance Protection Plan makes it easy to follow Ford's recommended maintenance schedule.

Scheduled Maintenance

Basic Comprehensive maintenance for Ford electric vehicles.

Keep your vehicle running great for years to come with a Ford Maintenance Protection plan for Electric Vehicles. Covering scheduled maintenance required by the manufacturer, including select wear items[†] these plans help protect you against rising repair costs.

- Multi-point inspections
- Tire rotations
- Wiper blades
- Washer fluid top-offs
- Cabin air filter replacement (every 32 000 kilometres)
- Brake Fluid Change (every 36 months)
- Brake pads and linings
- Shock absorbers/struts

Multi-Point Inspection

In addition to your plan coverage, our trained Technicians will perform a multi-point inspection at each service visit[‡]:

Check fluid levels and fill:

- Transmission (if equipped with a dipstick)
- Brake reservoir
- Coolant recovery reservoir
- Window washer

Check the following systems/components:

- Operation of horn, interior lights, exterior lamps, turn signals, and hazard and brake lights
- Windshield washer spray, wiper operation and wiper blades
- Windshield for cracks, chips and pitting
- Radiator, heater and air conditioning lines for leaks and damage

- Fluid leaks
- Steering and steering linkages
- Shocks/struts and other suspension components for leaks and/or damage
- Tires for wear and proper air pressure

[†]Some vehicles may not be available with all select wear items. See dealer for details. [‡]Any required repairs identified as part of the multi-point inspection may not be covered by the plan.

Should you exceed the maximum number of service visits prior to the plan expiry, you can still enjoy peace of mind coverage for the select wear items available on your vehicle during your plan coverage period.

Coverage for eligible vehicles begins on the date of plan purchase and ends at the selected time (from Warranty Start Date) or distance travelled (on the vehicle's odometer) limitation (whichever occurs first); time and distance travelled limitations are calculated from the Warranty Start Date and zero kilometres.

The maintenance services covered by an FMPP are based on the scheduled maintenance services listed in your Owner's Manual.

There is a maximum number of covered maintenance services visits allowed based on the time and distance interval of the selected plan. Depending on the time or distance maintenance intervals actually followed, the number of service visits received may not necessarily reflect the maximum number of service visits available. While maintenance services can be completed at any time during the plan coverage, Ford recommends that the scheduled maintenance, as outlined in your vehicle's Owner's Manual, be followed.
